Comments: After Dr. Carwein's departure from Westfield State College in August, 2006, a search committee was organized and the search for a new president was underway. Faculty and Staff members were sent a questionnaire to fill out and return to the Search Committee. This document was called Westfield State College Presidential Profile.

After the preliminary interviews took place at Bradley Airport, five semi-finalists were chosen. The interviews with each candidate were held January through February, 2007. After much discussion and debate on campus it was decided by the Search Committee that the search should be extended.

Folder Title: Discussion about Presidential Search, 2007
Record Group: Office of the President

Comments: After Dr. Carwein's departure from Westfield State College in August, 2006, a search committee was organized and the search for a new president was underway. Faculty and Staff members were sent a questionnaire to fill out and return to the Search Committee. This document was called Westfield State College Presidential Profile. After the preliminary interviews took place at Bradley Airport, five semi-finalists were chosen. The interviews with each candidate were held January through February, 2007. After much discussion and debate on campus it was decided by the Search Committee that the search should be extended.

Folder Title: Ely Campus Center Renovation Project - Moving the Globe, 2007

Record Group: WSC History

Comments: Former F61

Comments: Material collected by the archives staff during the 2006/2007 academic year

Comments: Part of the Ely renovation project required the globe in the Campus Center Atrium to be moved. The base of the globe could not be moved due to its weight and size. This will need heavy equipment to get the cement out of the ground. The base and time capsule will be moved when the demolition of the Ely Lobby takes place. The Globe has been moved to the back of the Public Safety building and the time capsule will be moved to the Botanical Garden in back of the Woodward Center. Thanks go to Maureen Johnson, Campus Center, for taking these photographs.

UPDATE, September 9, 2010. Curt Robie was contacted by Karen Canary. He said that the time capsule is now in storage.
and will be moved in a few weeks when the college master plan revision is completed.

Note: The Globe was moved to the Campus Green in 2009. It was removed on February 4, 2015 after damage caused by partiers after the Patriots won the Super Bowl on February 1, 2015. The globe could not be repaired due to this damage.

A call went out to students to collect money to design and build a new globe. Source: E-mail from Liz Preston, February 5, 2015.

Record Group: Office of the President

Comments: Former F59.

Comments: After Dr. Carwein's departure from Westfield State College in August, 2006, a search committee was organized and the search for a new president was underway. Faculty and Staff members were sent a questionnaire to fill out and return to the Search Committee. This document was called Westfield State College Presidential Profile. After the preliminary interviews took place at Bradley Airport, five semi-finalists were chosen. The interviews with each candidate were held January through February, 2007. After much discussion and debate on campus it was decided by the Search Committee that the search should be extended.
